## PART VII. CREATIVE ACTIVITIES FOR YOUR WRITUNG SKILLS

### Ex.1

The similarity is that there's some greenery near these buildings. The main difference is that the house in the first picture is lower than the skyscraper.

Life in such small houses could be relaxing and quiet. It would be quite unpleasant to live in scyscrapers as they're usually situated in the centre of the city.

I would prefer to live in a small house since I love rural environment.

Ex.2

I would invent a subject called "Caring about our environment". Children would need it because it is important for them to realize that protection of the environment is their duty.
