"The Day Everything Went Wrong" (but ended right)

It was a day of 2020. The day when my parents decided it would be a memorable experience for a 14 years old girl to live alone, far from home in a sport summer camp. Indeed, it was, I would say even unforgettable one.

Since the very first day there I felt out of place and begged parents to bring me back home. It's not that the organization was poor, I just wasn't fond of it ~~that age~~. As a matter of fact, all kids were given ~~a~~ key bracelets to open doors, and everything was pretty good, unless ~~I~~ one day I decided to rely on my golden fish memory. Before going to sleep, I took off the bracelet and put it on ~~the~~ a shelf. I guess, you can imagine how ~~I did I regret it~~ ^{I regretted} when I went to the toilet at night. By that time ~~I felt hopeless and~~ I was sure I would spend the night on a carpet ~~next to~~ under the door, as I couldn't get into my ~~doorm~~ dorm and it was too late for anyone to be awake. By far, it was the most frightening thing ever happened to me.

~~Little do you know~~ ^{my} ~~the relief~~ ^{how relieved} ~~for relief~~ I felt when I came across ~~a~~ ~~my~~ my tennis coach on a first floor. As it occurred, he had insomnia and counting sheeps didn't help him. ~~He was my savior, even now I feel~~ am absolutely grateful for him. Thanks ~~Godness~~ ^{Godness} he has insomnia, ~~Thank Godness~~ Crying out loud I ~~thank~~

Thanks Godness I came across my savior - a tennis coach that couldn't fall asleep. Since that time I ~~find~~ ^{find} people with insomnia being kind of knight waiting to give a hand to a "lost soul."

New York is the busiest town on earth. It's life style is not suitable for everyone, but it definitely ~~can~~ spill the light on how is to be a ~~busy~~ busy bee.

Pennsylvania is known for it's beautiful landscape and state University. Some people also associate this state with a Lord Dracula - vampire from a Pennsylvanian Castle.

Texas is a place where ^{majority} ~~lot~~ of people speak Spanish and English, It is a state of immigrants and mixed races.

Washington - the first thing that ~~can~~ comes to my ~~my~~ mind is Washington University with it's ~~cool green~~ logo. There is also located a White House.

North Carolina - quite a dangerous state where people have to look around not to be robbed or killed. As having guns is officially legitimated one should be aware in public places to stay safe and sound.
