Two girls were playing in the park when one of them found a river. Rosie, the younger one, decided to swim in the river, from one bay to the other. Mary did not approve of this idea, but ~~she~~ wasn't able to stop Rosie. The youngest jumped into the cold water. Rosie was nervous.

But then Rosie's head appeared above the water and she ~~saw~~ said: "Mary, come here!" Mary was hesitante at first, but then jumped as well. They had a lot of fun, but when the sun started setting and it started to get colder, they understood that it's time to go.

When they came out of the water, they realized all their clothes was wet and they will freeze if they go home.

"Mary, let's go into that cave and make a fire to keep warm!"

Mary agreed with Rosie. They went into the cave, made fire, both girls were scared. "How can they be so irresponsible," they thought.

An hour had passed and Mary started to tell stories to Rosie about pirats and hidden gems. Rosie got so interented in them and offered Mary to look for gems in this cave.

They looked for hours for crystals, when suddenly Mary found a rose crystal. It was beautiful and shiny.

At the end of the story, no matter what happens, you can always turn bad thing into an adventure.
