Task 3

There has been a spate of muggings in cities across the globe, as ~~muggles~~ muggies are now focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington DC and other metropolitan areas have been robbed of their coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2,200 each. As well as literally stealing the coats of people's backs, thieves are breaking into people's ~~vehicles~~ vehicles. Profes-

sor David Wilson, a criminologist at Birmingham City University, warned that the muggings were the state of a new "luxury crime trend". He said the thefts were "worsening".

Professor Wilson warned those with high-end jackets to be careful. He said: "I would tell anyone wearing ~~Kennedy Co.~~ Canada Goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them". He added that: "Thieves used to target ^{luxury} ~~expensive~~ watches which go for thousands of pounds and then sell them online".

A London Transport spokesperson said: "Canada ~~Coose~~ Coose coats are targeted for robbery. It's a real concern to us because it really impacts the safe-

ty of young people on the network." She added ~~that~~ that this "acquisitive crime" was "very concerning, intimidating and frightening".

Task 4.

In a verdant, age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she spent evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity was ~~insatiable~~ insatiable, differed greatly from her peers' who preferred forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She leaped over streams and navigated through dense underbrush, her heart pounded with excitement. Her adventure took her to the tallest hill in the forest,

just as the dawn's first light crept over the horizon.

There, Luna beheld a sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. This moment of awe brought profound realization: stars were mesmerizing, but her own world was equally splendid. Luna's story, blended of celestial wonder and earthly beauty, became ^{an} enduring legend, inspiring all to appreciate magic of both distant realms and beauty close at hand.

Task 8.

1) As far as I know, Oklahoma is a state which has more stories concerning Native Americans than any other state in the USA, be it either ancient legends about mysterious creatures or stories about the famous Chingatchgook.

2) Recalling all the facts about Pennsylvania, I can say that it is especially famous for its University, in the walls of which many famous people studied, both scientists and different kinds of artists.

3) As far as I remember, Virginia is memorable for being one of the first states in the USA, as it grew out of the first English colony in America, named in the honour of Queen Elizabeth the First, The Virgin Queen.

4) Speaking of Texas, it is known to be one of the states where constant political and social troubles are common, be it something to do with racism or rivalry political groups fighting for the influence on the government.

5) Wisconsin is a northern state which is memorable in connection with slavery and "the secret railroad"; in particular - for giving shelter to slaves fleeing from the south to the hospitable north across the Great Lakes.

Task 10.

One April day I was washing the floor, since the day before I've asked to experience Cinderella's story on my birthday. So, here I was, pouring away the dirty water, trying not to freeze with 13 degrees above zero, turning seventeen. Just as I

though about water, my ~~phone~~ phone blew up with an urgent call — it was my class tutor calling.

— Rush for school! — he shouted — the pipes have blown up!

— Why me? — I wondered, — I'm useless in this matter!

— Who repaired the light bulbs in my cabinet and gifted the whole school with two weeks off non-electric holidays? — he replied.

I said "give me an hour" and rushed out. Luckily, my parents have prepared me a true Cinderella dress: granddad's raincoat and uncle's huge rainboots, nothing else except my shorts and T-shirt.

In an hour me and my class tutor were removing the water from the school rooms, using the raincoat as a spade. My bare feet slipped on the cold floor, since the rainboots could get wet.

After having quite a wet day, I slipped down the stairs only to face my whole family waiting for me in the car.

- The prince nearly lost his Cinderella! - my granddad shouted.

- So let the fairy tale continue - my class tutor added.

And out of the window flew my uncle's rainboots.

Task 3.

- 1) people taking money from banks, thus banks no longer existing.
- 2) a number of situations connected and altogether creating many problems.
- 3) constant without a goal, reason or meaning.
- 4) Something that is aimed against society or

aimed to help avoid contacts with other individuals

5) Something that is used in order to make the situation look less dramatic
