Task 7.

Now days a lot of students move to the big cities after graduating their schools to get more opportunities and add something new in the life. On the other hand, somebody said that they hate living in a big city, including your friend.

A fear of people and worries about being lost are the main reasons of this. Moreover, big cities are full of dirty and thick air and have a high level of noise.

Task 8.

Social Networking sites become more and more popular every day. I think, that each person has its own account in Facebook, Instagram, Twitter or Telegram. It is very convenient, interesting and breathtaking to surf in the Net, chat with your relatives, make friends online, search inspiration and follow global and local news, using modern technologies.

So, on the presented diagram I see, that 43% of teens are registered on social networks. That's why I can make a conclusion, that it is a kind of their addiction. Every day of teen's life is connected with the Net. It is a real fact. Moreover, having fun on social networks is not only for teens. Numbers in a pie chart say - 25% of Facebook users are under

the age of 10. It's unbelievable!

The Internet changes our lifestyle every day. Nowadays we can't imagine our life without phone, laptop or tablet in the hands.

Task 3.

1. Muscles
2. Glimpse
3. Pitch
4. Morning
5. Empty.
