In verdant, age-old forest, there resides Luna, a rabbit unlike any others. Mesmerized by night sky, she spends evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity is measurable, differently great from her peers, who prefer forest tranquil life.

One clear night, Luna embarked on unexpected journey. Guided by constellations, she ventured beyond known paths. She leaped over streams and navigated through dense underbrush, her heart ~~to~~ was pounding with excitement. Her adventure took her to the tallest hill in the forest, just as dawn as first light creep over a horizon.

There, Luna behold a sunrise of unimaginable beauty, kaleidoscope of colors that stoned her soul. This moment of awe brought profound of realization: stars were mesmerize, but her own world was equally splendid. Luna's story, blended of celestial wonder and earthly beauty, become enduring legend, inspiring all to appreciate magic ~~are~~ from both distant dreams and beauty closely at hand.

Task 5

De-banking - This word means to make yourself spend less money and try to survive without stuff you don't actually need

Situationship - We know what is relationship but the word given means something that is before the official romantic relations between two people, but it is meant to make a couple.

Rizz - In my view, it is something connected with body, like meaning or shrugging your shoulders, I'm going to stay with giving a little smile and blinking addretrvely.

Parasocial - we are talking about a person who feels insecure spending all time in society. Usually we name such people, as people with low social battery.

Snob - a person who is a fan of a Taylor Swift or just acts self and kind with all his surrounding. Such people can also be trustworthy.

Task 8

North Carolina - This state is placed not in the north part of USA, so the weather here is not as cold as if you were in New York, for example. Also there is a huge park of attractions, where you can go by a ticket. Usually natives buy a year pass to enjoy everything with their family.

New York - I believe, this state is the most popular one beyond tourists and unfortunately you are going to be shocked first time seeing this ~~to~~ number of technology and chain-stores, which attracts with its big bright banners that you have not seen in your ~~city~~ city.

Virginia - Nice state dedicated on the right side of the country. If I am not mistaken, this state has a law which says that it is allowed to kiss only less than for five minutes and not more. As I know this state is green, which means it is planted with trees and is full of forests.

Washington - The capital city of the United States. And this is the reason why this city has so much such popularity and has to be clean. So, that is why the government decided that it is not allowed for people to throw rubbish on the streets like in Singapore you can't throw down a gum.

Texas - The state on the south of USA which has shocked all Europeans in the way how one small part of the country can contain all illegality. A few years ago I've seen several announcements, that celebrities were arrested for illegal movements.

Task 9

It was a usual day. Girl woke up in the morning and went to school. At that day she had seven lessons and also she had to rewrite a Test. First lesson was maths and no one was expecting that, but the teacher gave a Test, girl was always prepared, but not at that day. She felt that something is wrong and thought that maybe ~~the~~ this part is too because of numbers, that she saw in her paper or because of six lessons, which she would skip, if she could. So, maths was gone and the next lesson was literature.

for which she was never prepared because of teacher, who laughs like a monkey and talks like a parrot. Girl decided to skip this zoo in the toilet with her friends and that's where she met the zoo. Everything was fine till the head teacher came and asked our girl on a small talk. ~~She~~ They both went to the stairs and a small woman started her talk. ~~She~~ I should say, that ~~the~~ head teacher was the psychologist so do not be afraid of the stuff ~~the~~ you going to hear. This woman ~~as~~ was acting upset and then said slowly that "you can fall everytime you do not expect that happens". What was more interesting, this strong woman then ~~it~~ went to the toilet to say the same to ~~my~~ ^{girls} friend. And after ~~this situation~~ I felt not in my cup after this situation. ~~but~~ a girl came home and told everything to her mother. Her answer was ~~shot~~ shocking. Girl's mom asked head teacher to tell something ~~to~~ her something. Mother just wanted to avoid all problems with literature lessons.
