Task 4.

In Verdant, an old-aged forest, there resided Luna, rabbit unlike any others. Mesmerized by the night sky, she ~~was~~ ^{spent} spending evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, greatly different from her peers, who preferred forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by the constellations, she ventured beyond known paths. She leaped over streams and navigated through unbrushed ~~denses~~ ^{denses} denses, her heart pounded with excitement. Her adventure took her to the tallest hill in the forest, just as the first dawn light ~~ere~~ ^{crept} crept over horizon.

There, Luna beheld a sunrise of unimaginable beauty, kaleidoscope of colours that stirred her soul. This moment of awe brought the profound realisation: stars were mesmerised, but her own world was equally splendid. Luna's story, blent with a ~~celestial~~ ^{celestial} celestial wonder and earthly beauty, became an endured legend, inspiring all to appreciate magic of both distant dreams and close at hand beauty.
