Task 9

"Mad man"

Once upon a time, there was a scary man living in a tiny house, which no one even noticed. However, they began building an airport near the stunning place with gorgeous scenery, where this old wise man lived. The air planes started passing by the sweet village nights and days, ~~making~~ driving all neighbors crazy. Once, the government politely asked inhabitants to move out from their lovely houses including paying them a large sum of money. There was no surprise when everyone left the countryside except one person - that old man. Everybody yelled at him: "Are you mad?" There wasn't anything to write about his house, but he still insisted on not leaving. The man calmly responded: "Who can know. Maybe I am mad". His neighbors didn't expect this guy to be so shy and wise.

that he was just waiting to be
given a larger sum of money.
Finally, he earned 500000 pounds
by just staying at home...
