One man in Birmingham in the UK was slashed across his face as thieves ~~maid~~ ^{made} off with his jacket. Criminals are targeting coats that ~~cost~~ ^{cost} as much as \$2,200 each. As well as ~~literally~~ ^{literally} stealing the coats off people's backs, thieves are breaking into people's vehicles. Preface David Willson, a criminologist at Birmingham City University, found that the muggings were the state of a new "luxury crime-trend". He said the thefts were "worrying".

Preface Willson found those with hay-ed winter jackets to be careful. He said: "I would tell anyone wearing Canada Goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who may try to steal them." He added that "thieves used to target Rolex ~~watch~~ watches which for thousands of pounds and then sell them online." A London transport spokesperson said: "Canada Goose coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people on the network." She added that this "acquisitive crime" was "very concerning, intimidating and frightening".

In a verdant, an age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she was spending evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity was insatiable, different greatly from her peers, who prefer forest's tranquil ~~life~~ life.

One clear night, Luna ^{was} embarked on unexpected journey. Guided by constellations, she ventured beyond known paths. She leaped over streams and navigated through dense underbrush, her heart pounded with excitement. Her adventure took her to the tallest hill in the forest, just as the dawn first lighted the creep over horizon.

There, Luna beheld a sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. This moment of awe brought profound realization: Stars were mesmerized, but her

Task 9

There was a clerk named John. He worked 9+05 in the office and his life was as boring as you can imagine but one day it all changed.

It was a beautiful, sunny morning but not for John. When he woke up, he realised that he overslept. That was

terrific because he had a very important appointment with his boss that day. When he rushed to his closet he found out that there is nothing in it except his wife's dress. Well, he had no way but to put it on. ~~Still, he wanted to~~ He wanted to cancel his appointment but couldn't because he couldn't find his phone. So, he still needed to go to the office. When he finally got there everyone started laughing at him. "Yes, I know but I couldn't find anything in my closet" - said John to his mate. "John, that's not the worst thing - said mate, - look in the mirror." John's face was fully dyed in green. Awesome, right? Well, you can assume that that day was terrible for our clerk. When he got back home he was totally exhausted. "Why? What did I do wrong? I have no job and I don't know where my wife is! And it all happened on my Birthday!" "Surprise!" - shouted his wife and entered the room hiding a bike. "Well, that ~~add~~ was my present to you. I just wanted you to realise the value of all you have: your appearance, yourself, your work and me. ~~Dear~~ Dear, you seem to be angry but you are not, right?"
