Task 3

There has been a spate of muggings in cities across the globe as muggers are focussing on a new item to steal - luxury coats. In recent weeks, people in London, Washington D.C. and other metropolitan areas have been robbed of their coats at knife point. One man in

Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targetting coats that cost as much as \$2,200 each. As well as literally stealing the coats off people's backs, thieves are breaking into people's vehicles. Professor David Wilson, a criminologist at Birmingham City University, warned that the muggings were the state of a new "luxury crimetrend". He said the thefts were "worrying".

Professor Wilson warned those with high-end winter jackets to

be careful. He said: "I would tell anyone wearing Canada goose branded jackets to be very careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that "thieves used to target Rolex watches which go for thousands of pounds and then sell them online". A London transport spokes person said: "Canada goose coats are targetted for robbery. It's a real concern to us because it really

impacts the safety of young people on the network". She added that this "exquisitive crime" was "very concerning, intimidating and frightening".

Task 4.

In Verdant, an ~~old~~ old-aged forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she spent evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity was insatiable, she differed greatly from her peers, who preferred ~~to~~ the forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She leapt over streams and navigated through dense underbushes, her heart pounded with excitement. Her adventures took her to the tallest hills in the forest, just as dawn's first light crept over the horizon.

There, Luna beheld the sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. This moment of awe brought profound realization: stars are mesmerizing, but

her own world ^{is} ~~was~~ equally
splendid. Luna's story, blending
the celestial wonder and earthly
beauty, became an endured legend,
inspiring all to appreciate the
magic of both distant dreams and
the beauty close at hand.

Task 8

Rhode Island

I know that a lot of people forget about this small state. In fact, it's the smallest state in the USA. But most people don't know that most of ~~this state's~~ the state is on the mainland.

Pennsylvania

This state has quite a rich history. In fact, it has the nickname "the Keystone State."

This is so because some of the most important documents were written and/or signed in this particular state.

Texas

Texas is the largest state in the USA. It also has one of the richest and biggest economies in the US. Not a lot of people know that Texas was an ~~in~~ ~~de~~ independant country for less than a decade.

Washington

This state is the only state to be named after a president.

Unfortunately, Washington is one of those states that is always forgotten about, because this state is often confused with Washington D.C.

New York

This state has the nickname "the Empire State". Everybody knows that the state of New York is home to New York City (one of the most famous cities in the world) (NYC for short).

Task 9

~~"The day everything went wrong~~

"The Day Everything Went Wrong (But Ended Right)"

One day a guy named Jack wakes up late for work (he has to get up at 6 a.m. sharp because he works in a big city). He looks at his phone and it is 9 a.m. Jack is late for work! He has missed his bus ~~to work~~. Jack gets dressed as quickly as he can and rushes out the door. He runs to the train station in hopes of taking a train to work. He ~~made~~ makes it to the train station just in time. But unfortunately for Jack, he has^s to stand for the next

couple of hours. Once he gets to the city, he runs to a famous fast food place. There he gets his favourite ham sandwich. Jack was so hungry! But one pigeon also ~~wanted~~ Jack's ham sandwich. So, the pigeon takes the sandwich right as Jack was going to take a big bite. Jack is forced to go to work because his boss ~~calls~~ him. Jack's boss ~~was~~ is so angry at him! The boss scoldes Jack and gives him extra tasks for the day. Jack

~~Was~~ is so tired that he ~~fett~~ falls asleep. Jack wakes up to the sound of his alarm. It was all just a dream!

Task 5

5. Swiftie

In my opinion, "swifties" are people who are big fans of Taylor Swift.

3. Rizz

In my opinion, the word "rizz" means fancy, elegant.

4. Parasocial

I think that this word is used to describe someone who is introverted.
