~~First of all, living in a big city demands an active lifestyle, which is not fine by everyone. Inhabit such cities means be surrounded by people all the time. Crowded places provoke a plenty of noise.~~ (см. текст выше)

First of all, ^{per one's} life in a big city demands an active lifestyle, which is not fine by everyone. If you inhabit such cities, that means you will be surrounded by people all the time. Moreover, crowded places provoke a plenty of noise. Citizens are to face daily traffic-jams and endless lines. Furthermore, sometimes finding an acceptable residence may be impossible or extremely expensive. Last but not least, pollutions in big cities are awful for people one's health.

Task 8

This essay is to analyze the diagram presenting ~~the~~ the teens social networking stats and to draw certain conclusions.

To start with, more than 70% of teens are on social networks and about a half of them sends messages to friends every day, ~~which~~ ^{That} points out the value of networks for the young people nowadays. This fact is also presented by the amount of friends an average teen has, which is close to 200.

Although only 8% of American teens use Twitter, Facebook turns out to be widespread ^{almost} as a quarter of teenagers logs on to it over 10 times per day.

Maybe, ~~such~~ ^{this} these negative results ^{were} demonstrated due to the fact ~~in~~ that meetings in life had reduced, and the internet ^{was} is considerable.

red to be more convinient. ~~The To prove~~ I
strongly reccomend the teenagers to spend
less time in social networks and see each
other regularly.
