Task 9

The Intruders

I've never thought that a misadventure could turn into an adventure. However, one situation in my life proved me wrong!

It all started on a sunny August morning. My parents left to visit our relatives in a different town and I was left alone at home. As I was punished a week prior, I wasn't allowed to go outside and spend time with my friends, so I decided to stay in my room and watch TV,

Even though I was upset that I wouldn't see my relatives. Suddenly, I heard something hit the window. I got so scared! "There must be intruders trying to get inside!" I thought. I decided that I had to be brave and face them. I took a baseball bat, put a metal bowl on my head and ~~then~~ opened the door, fully prepared to attack ^{them} and defend our house. What I wasn't prepared for were our relatives standing outside. The ones my parents went to visit! Turns out, them and my parents agreed on spending time together that day but forgot to discuss whose house they were supposed to meet at.

Frankly speaking, I didn't expect that day to ~~end~~ go that way. At least I got to spend some time with my relatives who I really love.

Task 3

Just when demographers are ringing alarm bells about overpopulation, Amazon founder Jeff Bezos says "With need to populate our Solar System. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: 'I'd love to see, just now, a trillion humans living in the Solar System. If we had a trillion humans ~~to~~ we would have at any given time 1,000' send 1,000 ~~astronauts~~ space would be full of life and intelligence". His he wants to help "build heavy infrastructure that will be just by the space entrepreneurs of future generations... so that

Mister Bezos are by fellow multi-billionaire Elon Musk, owner of X (formerly ~~known~~ ^{known} as Twitter). In 2021, he said of the human race:
"We don't want to be one of just single-planet species; we want to be a multi-planet species"
