Task 3

Just when demographers are ringing alarm bells about overpopulation, Amazon founder Jeff Bezos was asked for his thoughts on humanity living in outer space ~~in~~ in a thousand years time. He replied: "I would love to see, you know, a trillion humans living in the solar system. If we had a trillion humans, we would have at any given time 1,000 and 1,000 ... Space would be full of life and intelligence and energy." He added that he wants to help "build heavy infrastructure that will be used by space entrepreneurs of future generations ... so that ingenuished imagination can really be unleashed."

Mister Bezos thoughts are echoed by fellow multi-billionaire Elon Musk, owner of X (formally

known as Twitter). In 2021, he said of the human race: "We don't want to be one of those single-planet species; we want to be a ~~multi~~ multi-planet species." Earlier this year, ~~Mr~~ mister Musk warned that: "Population collapse due to low birth rates is a much bigger risk to civilization than global warming... Mark these words." Mister Bezos can see people living in giant space stations. He envisions our planet returning to its environment, as factories would be ~~built~~ built in space. He said they would exploit resources on the Moon or on asteroids instead of using up Earth.

Task 4

Task 9

One day, John walked out of his house to buy some milk. ~~He~~ Nothing worried him. He went to the shop near his home and asked the cashier for milk.

"We don't have milk," she said.

"How? Every shop has ~~got to have~~ milk!" John answered. The cashier shrugged her shoulders and told John to go to another shop. John took the bus and visited a shopping centre, still searching for his aim.

But there was none.

Anywhere John went, there wasn't even the drop of milk. John was terrified. How could none of the shops he went to not to have milk?

John took a ~~train~~ train to a countryside hoping to find his desired product. He walked in the meadow, yet there was no cows. Not even a single "moo".

Well, what John could do? He went to a woman who stand nearby.

"Where are all of the cows?" John asked.

"The aliens abducted them," she answered.

Oh, really? Now John has to take a flying spaceship to find some milk?

"How do I find the cows?" John asked.

"Only by going to an outer space"

That was not an ~~at~~ adventure John wanted to make.
