As well as literally stealing the coats off peoples backs, thieves are breaking into peoples vehicles. Professor David Wilson, a criminalologist at Bermingham city University warned that the mugings were the start of a new "luxury crimetrend". He said the thefts were "worrying".

Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada goose branded jackets to be careful and be aware of your ~~sur~~ ~~roundings~~ surroundings".

### TASK 9

It was a bright, sunny morning. I opened my eyes to the lovely chirping of the birds. "Today's gonna be a good day," I thought to myself. Suddenly I heard a sound. That was my alarm clock.

I woke up cold and sweaty. There were no birds and no sun, just darkness. I went downstairs hoping that mom made me breakfast, but there was only a paper note saying, "I had to leave, cook yourself some food, please". My mom forgot one thing, I don't know how to cook."

While walking to school I got splashed by the cars driving by. I came to my destination soaked and hungry. Once I got to my first class everyone was panicking. There were going to be five pop quizzes! I hadn't studied at all and didn't know what to do.

The day ended and I wanted to go home as soon as possible. It was too stressing to do anything at all. The trip home wasn't pleasant too. Kids in the bus were shouting and somehow I got involved. I was exhausted upon arrival to my door step.

I opened the door and "Surprise! Happy birthday!!" shouted a bunch of people. I was flabbergasted. All of my loved ones were all in one room and suddenly I felt lighter. The weight on my shoulders magically disappeared.
