Task 3

Just when demographers are running alarm bells about overpopulation, Amazon founder Jeff Bezos says we need to populate our Solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see, you know, a trillion humans living in the Solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts and 1000 Einsteins.... Space would be full of life and intelligence and energy." He added that he wants to help "build heavy infrastructure that will be ~~is~~ used by the space entrepreneurs of future generations... So that ingenuity and imagination can really be enlivened."

Mister Bezos's thoughts are echoed by fellow multi-billionaire Elon Musk, owner of X (formally known as Twitter). In 2021, he said of the human race: "We don't want to be one of those single-planet species; we want to be a multi-planet species. Earlier this year, mister Musk warned that: "Population collapse due to low birth rates is a much bigger risk to civilization than global warming... Mark these words". Mister Bezos ~~conceives~~ conceives of people living in giant space stations. He said most inhabitants of this would visit Earth for vacations. He envisions our planet return to its pristine ~~re~~ environment, as factories would be built in space. He said they would exploit ~~resources~~ resources on the Moon or on asteroids instead of using up Earth.

Task 4

In a vibrant coastal town, Zoe, a young chef with an extraordinary talent, thrived. Fascinated by the exotic flavors, she dedicated her life to creating innovative dishes (creation of innovative dishes), and her skills far surpassed those of her traditionalistic colleagues.

One brisk morning, Zoe embarked on a spontaneous quest for the culinary inspiration. Driven by her passion for ^{the} unique ingredients, she explored local markets and remote fishing (fishermen) villages. She wandered through bustling bazaars, her senses alighted with the array of the spices and fresh seafood. Her search brought her to a hidden cove at the town, ~~just as~~ fishermen ~~for~~ just as (when) the fishermen ~~the~~ are bringing in their early catch.

There, Zoe discovered ^a rare fish, its flavor [was] unlike anything she had ever tasted. This discovery ignited a burst of creativity: ocean's bounty was exhilarating, but there were unexpected finds that truly inspired her. Zoe's culinary adventures, blending traditional techniques with avant-garde tastes, soon became legendary, inspired others to explore and embrace the diverse ~~flavors~~ flavors of the world.
