Once upon a time there lived three friends. They made up their minds to rest and set off Miami. After checking in, they started to explore the city. At first, they visited ~~the~~ theatre and enjoyed an amazing performance. Secondly, the company went on a football match California-Florida. Finally, friends ate in the restaurant that is famous for cooking the best Italian dishes in the USA.

One cannot deny that it was an immaculate day. Then they return to the hotel and started to search for their rooms. They were on the 15<sup>th</sup> floor and the lift was broken. However, it wasn't a problem for friends. To entertain themselves they created a scheme: the first friend was singing songs, the second one was telling anecdotes and the third was dancing. No sooner had they reached the fifteenth floor, than one of them said, 'I have bad news for you...' 'What happens?' murmured others. 'We lost our keys', he answered. ~~The lift was still broken.~~

It was not such a good day for them now. When the company was at the first floor, they had no desire to continue the search. 'We would sleep there and I give you anything <sup>you</sup> want but not ~~those~~ the keys', said the second friend and fell on the floor.
