Task 3) Just when demographers ~~are~~ ^{are} ringing alarm bells about overpopulation, Amazon founder Jeff Bezos says ~~we~~ we need to populate our Solar system. Mister Bezos was asked ~~for~~ for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see, you know, a trillion humans living in the Solar system. If we had a trillion humans, we would have ~~at~~ at any given time 1000 Mozarts and 1000 Einsteins... Space would be full of life and intelligence and energy." He added that he wants to help "build heavy infrastructure that ~~we~~ will be used by the space entrepreneurs of future generations, so that ingenuated imagination can really be unleashed".

Mister Bezos thoughts are ~~not~~ echoed by fellow multi-billioner Elon Musk, owner of X (formerly known as twitter). In 2021, he said of the human rise race: "we don't want to be one of those single-planet species; we want to be a multi-planet species." earlier this year, mister Musk warned that: "population collapse due to low birth rates is a much bigger risk to ~~civil~~ civilization than global warming.. mark these words." mister Bezos conceives of people living in ~~a~~ jointed space stations. He ~~sayed~~ ~~most~~ said most inhabitants of this would visit Earth for vacations. He ~~invisions~~ our planet returning to its presteen environment, as factories would be built in space. He said they would exploit resources on the Moon or on asteroids instead of using up Earth's.

Task 4) In a vibrant coast town, Zoe, a young chef with an extraordinary talent, thrives. Fascinated by exotic flavours, she dedicated her life to creating innovative dishes, ~~her~~ her

skills far surpassed those of her traditionalist cat colleagues.

One brisk morning, Zoe embarked on a spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she explored local markets and remote fish villages. She wandered through bustling bazaars, her senses alighted with an array of spices and fresh seafood. Her searching brought her to a hidden cove at dawn, the dawn, just as fishermen were bringing in their early catch.

There, Zoe discovered a ~~ree~~ rare fish, its flavour was unlike anything she had ever tasted. This discovery ignited a burst of creativity: ocean's bounties were ~~exhilaration~~ exhilarating, but there were no unexpected findings that truly inspired her. Zoe's culinary adventures, blending traditional techniques with avant-garde tastes, soon became legendary, inspiring others to explore and embrace diverse flavours of the world.

- 9) ~~It was the New Year's Eve and John was waiting for~~
It was the New Year's Eve and John was waiting for his flight in the airport. He, however, felt no excitement about the upcoming ~~cele~~ celebration as he knew he would spend it alone. After the boarding on what he thought was his plane ~~was~~ announced, John entered the plane, took ~~to~~ a seat and quickly nodded off. It wasn't until the plane landed and John left the airport that he realised he wasn't in his hometown. The situation John faced seemed

catastrophic and unsolvable as he had no phone, no money and no acquaintances in the city. It was when John was planning his further actions that he was spotted by a young woman named Rose. She was the opposite of John: outgoing, active and sociable. Rose saw the miserable man and invited him to her party after learning about John's problem. John didn't really want to go to any party but what choice did he have anyway? After the New Year John stayed at Rose's house for a while and after they got closer, they both fell in love with each other. John decided to abandon his old city and live happily with his new girlfriend. And that's how a misadventure turned adventure.
