Task 3

Just when demographers are ringing alarm bells about Earth population, Amazon founder Jeff Bezos says we need to populate the solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand year time. He replied, "I would love to see, you know a trillion humans living in the solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts and 1000 Einsteins. Space would be full of life and intelligence and energy." He added that he wants to help build heavy infrastructure that will be ~~used~~ used by space entrepreneurs of future generations. So that ingenuitend,

imagine if it can really be unlied.
Mister Bezos's thoughts are aquired by fellow multi-billioner Elon Mask, owner of X (formally known as twitter). In 2021, he said of the human race, "We don't want too be one of those single-planet species, we want to be a multi-planet species."
Mister Mask warned that, "population calapse due to low born rates is a much bigger risk to civilization than global warming... Mask these words." Mister Bezos conceives of ~~para~~ people living in giant space stairions. He said most inhabitants of these would visit Earth. He ~~convisions~~ ^{visions} invasions other planet ~~to~~ reaching too its ^{disturbing} environment, as factories would be built in space. He said they would ~~exploate~~ ^{explore} resourses on the moon or on asteroids instead of using up Earth's.

Task 4.

In a vibrant coast town, Zoe, a young chef with an extraordinary talent, thrived. Fascinated by exotic flavors, she dedicated her life to the creation of innovative dishes, her skills far surpassed those of her traditionalist colleagues.

One brisky morning, Zoe ^{was} embarked on spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she explored local markets and remote ~~fishing villages~~ ^{fishing} villages. She wandered through bustling bazars, her senses were alighted with array of spices and fresh seafood. Her search brought her to hide in a cove at a dawn, just as fishermen brought in their early catch.

There, Zoe discovered rare fish, its flavor was unlike anything she had ever tasted. This discovery ignited burst of creativity: ocean's bounty will be

exhilarating, but there will be unexpected finds that truly inspire her. Zoe's culinary adventures, blend of traditional techniques with avant-garde tastes, soon became legendary, inspired others to explore and embrace diverse flavors of the world.

Once in a middle of nowhere a German man's car broke down and the only people that stopped to help him were a Russian ~~guy~~ and a British ~~guy~~ ~~guy~~ guy.

"How do you ~~know~~ not know how to fix the engine?", exclaimed the Russian, "Your people ~~must~~ are known for ~~the~~ making cars!"

"Well, that does not help me!" replied the ~~man~~ German,

"How did you even ~~get~~^{drive} here, your people are always drunk!"

The Russia man was going to argue, but the British one got in the middle of their dialogue.

"Stop fighting, we have two ~~more~~^{more} cars to drive from here and get bloody help, folks!", he said. His new acquaintances agreed to drive together in the ~~British~~ British's car to the nearest cafe or petrol station.

When ~~after~~ they asked for help and went back to the place ~~broken~~ where they left the cars, they discovered a Japanese man fixing the car.

"Of course I know how to fix it, my people make best cars!" said the stranger.

They all laughed at the coincidence and decided to go somewhere else together, to celebrate the renovation of the car and new friendship.
