There has been a spike of muggings in cities across the globe as muggers are focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington DC and other metropolitan areas have been robbed of their coats at one point. One man in Birmingham in the UK was slashed across his fives as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$ 2200 each. As well as literally stealing the coats off peoples backs, thieves are breaking into peoples vehicles. Professor David Wilson, a criminologist at Birmingham city university, warns that the muggings were the state of a new "luxury crimetrend". He said the ~~thief-thieft~~ ~~thiefts~~ thefts were "worrying".

Professor Wilson wants those with high-end

winter jackets to be careful. He said: "I would tell anyone wearing Canada goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for ~~opportunities~~ ~~human~~ approachists who may try to steal them." He added that: "Thieves used to target Rolex, ~~wa~~ watches which go for thousands of pounds and then sell them ~~on~~ online." A London transport spokesperson said: "Canada goose coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people on the network." She added that this ~~"acuzited crime"~~ was "accusitive crime" was "very concerning, intimidating frightening".

Task 4

In verdant, an old-aged forest, where reside

Luna, a rabbit unlike any other. Mesmerized by night sky, she spent evenings ~~gazing stargazing~~ stargazing, dreaming of space mysteries. Her curiosity was insatiable, ~~de~~ different from her peers, who prefer forest's calm life.

One ~~clear~~ quiet ~~life~~ night, Luna went on an unexpected journey. Guided by constellations, she ventured ~~beyond~~ beyond known paths. She leaped over streams and went through dense underbrush, her heart pounding with excitement. Her adventure took her to the tallest hill in forest, just as dawn first light crept over horizon.

There, Luna beheld met sunrise of unimaginable beauty, with kaleidoscope of colors that stired her soul. This moment of awe brought profound realization: stars could be

mesmerized, but her own world would still be equally splendid. Luna's story, mix of celestial wonder and ethereal beauty, became a legend, that inspires to appreciate magic of both distant dreams and down-to-Earth beauty.

Task 5

1. wasting all your money
2. a meeting with person, that you can't ~~neither call friend nor either call~~ either friend or romantic partner.
3. charisma, ability to attract people to yourself.
4. when you are not being able to talk to people

~~Task 8~~

~~New York is crowded state city, full of entrepreneurs, office workers~~

Task 8

The state named New Mexico is located near the border with Mexico. Here you can try

Task 9

It was a winter morning. I woke up feeling energized, which was weird. ~~It was a eh~~
It was a school morning! I've checked the time and I was awfully late! My Math test was in twenty minutes! Now, I had only two problems. First, what to wear? Second, how not to be late. First was solved unsuccessfully: I had to put on my school uniform in which I looked smart and ugly. Second was in process: instead of drinking tea vanilla black tea and grilled cheese sandwich, ~~I've drunk~~ I drank plain water and rushed

to school. I was one minute late! Disaster!
I was ready to apologize and lie that it
won't happen again, but when I pulled the
door, it didn't open. Obviously! I was trying
to go in wrong classroom! But even when I
was late for three minutes and trying to
open right classroom door, it didn't open.
And only then I ~~notise~~ noticed suspicious
silence, which was soon broken by security
man. "So how hungry for knowledge you have
to be to come to school on Sunday?" And
then I woke up. It was a winter morning.
In a hurry I checked my phone. It was
Sunday, at 8 a.m. And the ~~ma~~ Math test
is in twenty four ~~hours~~ hours and thirty
minutes. What a relief! Thank you, security man!

Task 10
