## Task 8

Social networks are very popular nowadays, as we can see from pie chart 73% of teens use social networks. Statistic says that Facebook is one of the most popular, 22% of teenagers log on to Facebook over 10 times per day! This may happen because of chatting with each other or looking friends' photos.

Pie Chart shows that chatting is popular common for teen - 37% send messages to friends every day. Also we can see that Facebook is popular not only for teens, 25% of Facebook users are under the age of 10. Social networks are popular nowadays, there are a lot of many sites, not only Facebook, for example 8% of American teens use Twitter but Facebook is

the most popular. The average teen has 201 Facebook friends. It shows that today online chatting is more popular than life talking. This happens because internet today is very easy - you can talk to anybody anywhere.
