Task 7.

To support her point of view, your friend could give several reasons.

Firstly, in big cities ~~there~~ there is always a lot of transport producing toxic fumes. Different kinds of air pollutants impact on ~~the~~ dwellers' health badly. Moreover, this amount of transport often causes congestions.

Secondly, life in big cities is noisy and nervous, everyone is always in a hurry.

In addition, it is more expensive to ~~live~~ live in a megapolise, than in a small town or country, for instance.

Task 10.

According to the provided pie chart, social media are becoming more and more popular nowadays. ~~the~~

Social networks are a part of teenager's everyday life. 73% of teens are on social networks. Even the children under the age of 10 are users of Facebook.
on expanding 41

In my opinion, modern ~~the~~ children depend on internet too much. ~~According to~~ the diagram, ~~the~~ 22% of teens log on to Facebook over 10 times per day. And it is just a waste of time! Hardly a day can be spent without aimless surfing the net.

However, social networks are a great way to communicate with other people. 37% of teenagers ~~send~~ send messages to friends every day. They can always share something with ~~the~~ friends without going out. And networks also allow us to make friends with ~~people~~ residents of other cities or even countries.

In conclusion, ~~the~~ despite all arguments against ~~the~~ them, social media ~~allow~~ allow us to stay in touch with our friends and broaden our outlook.
