Task 3.

Just when demographers are ringing alarm bells about overpopulation, Amazon Founder Jeff Bezos says we need to populate our Solar system. Mister Bezos was asked for his thoughts on humanity living in the outer space in a thousand years time. He replied: "I would love to see you now, a trillion humans living in the solar system. If we had a trillion humans, we would have at any ~~time~~ given time 1,000 Mozarts and 1,000 Einsteins... Space would be full of life and intelligence and energy." He added that he wants to help build heavy infrastructure that will be used by the space ~~news~~ news of future generations... so that in the newated imagination can really be on lift.

Mister Bezos thoughts are awkward by fellow multi-billionier Elon Musk, owner of X (formerly known as Twitter).

In 2021 he said of the human race: "We don't want to be one of these single-planet species; we want to be a multi-planet species." Earlier this year, Mister Musk noted that: "Population collapse due to low birth rates is a much bigger risk to civilisation than global warming... mark these words." Mister Basts can see ^{of} people living in giant space stations, he said most inhabitants of these would visit Earth for vacations. He envisions our planet returning to its pre-stained environment, as factories would be built in space. He said they would exploit resources on the Moon or on asteroids instead of using up Earth's.

Task 4.

In a vibrant coast town, Zoe, a young chef with an extraordinary talent, thrived. Fascinated by exotic ~~flavors~~ flavors, she has dedicated her life to creating innovative dishes, her skills have further ~~surpassed~~ surpassed those of her colleagues-traditionalists.

One brisk morning, Zoe was embarked on a spontaneous request for culinary inspiration. Driven by her passion for unique ingredients, she was exploring local markets and remote fishers' villages. She was wandering through bustling bazaars, her senses alighted with a range of spices and fresh seafood. Her search brought her to a hidden cove at the dawn, just as if fishermen had brought in their early catchings.

There, Zoe had discovered rare fish, its flavor unlike anything she has ever tasted. This discovery has burst a ~~light~~ ^{light} of creativity: ocean's bounty might be exhilarating, but there would be unexpected finds that will truly inspire her. Zoe's culinary adventures, traditional techniques, blended with avant-garde tastes, soon became legendary, inspiring others to explore and embrace diversity of flavors of the world.

Task 5.

1. Greedflation - an increase in greeding, could be recognised as inflation (rise of the level) in the greeding process on the planet.

Task 9.

What tent?

~~My friend, Ben, has always been a vibrant person.~~

Camping is a trial. Not only we lost the path, but ended up somewhere in the middle of the forest.

- I am tired!

- Move on, no time for complaining!

My friend, Ben, has always been a vibrant person. He is a real live wire as people call him. But when it comes for planning, structuring and organising his ideas... It is better to ask someone else.

- Are you sure we are on the right way?

- It is improvisation, my friend, - he answered.

Seeing unfamiliar surroundings and following Ben was not like something I have always dreamt about.

- Let's rest, we will go further tomorrow.

- We will not wake up in the morning because of being killed by local animals. I am starting to panic, frankly, - I mumbled.

Ben ~~seemed~~ ^{felt} seemed to ~~be~~ on top of the world.

Behaving like a leader, trying to command... Poor Ben did not know what he will go through in 10 minutes.

- You will make us ~~dinner~~ ^{dinner}, ~~Ben was extremely self-assured.~~

~~Ben was extremely self-assured.~~ - Ben was extremely self-assured.

- Fine. ~~It's~~ ^{Looks} like we are going to sleep on the cold ground, right?

- Yes!

- No! Did not you forget to bring the tent which I prepared?

- What tent?

Our misadventure suddenly turned adventure.
