3) Just when demographers are ringing alarm bells about our population, Amazon founder Jeff Bezos says we need to populate our solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in ~~a~~ ~~thoughts~~ thousand years time. He replied: "I would to see, you know, a trillion humans living in the solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts and 1000 Einsteins. Space would be full of life and intelligence and energy." He added that he wants to help "build heavy infrastructure that ~~will~~ ~~be~~ will be used by the space entrepreneurs of future generations..." So that ingenuity and imagination can really be unleashed.

Mister Bezos thoughts are occured by fellow multi-billioner Elon Musk, owner of X (formally known as Twitter). In 2021, he said of the human race: "we don't want to be one of those single-planet species; we want to be a multi-planet species". Earlier this year Mister Musk warned that: "population collapse due to low birth rates is a much bigger risk to civilization than global warming... ~~make~~ ~~this~~ mark these words." Mister Bezos consives of people living in giant space station. He said most inhabitants of this world would visit earth for vacation. He invisions our planet returning to its presteam environment, as factories would be built in space. He said they would explote resources on the moon or an asteroids instead of using up earth's.

4) In vibrant coast town, Zoe, young chef with extraordinary talent, thrived. Fascinated by exotic flavors, she dedicated her life to create innovative dishes, her skills far surpassed those of her traditionalist colleagues.

9) One day a man was walking home from work a came across an old homeless man who tried to give the man a note. Not thinking anything about it, the man took it. The minute he took it, the homeless guy told him that it's vital to not read it by yourself. The man shrugged and went home, where he asked his lovely wife to read it out loud for him. The wife opened the note and screamed and in anger. The next minute the man was standing outside with a bunch of his stuff. He decided to go visit his friend, for a glass of whiskey. At the friend's place the man asked his friend to read the note for him. The next minute he was standing out of the door. The next morning he tried it out his colleagues and boss. In the evening he was jobless. The man lost everything, so he decided to drown himself so in afterlife he could finally read the note. At the heaven's gate he was rejected because of the note and was sent in Hell. After showing the note to the demon, he sent the to the Satan so he can decide how to punish the man. The Satan said that there is no place in Hell for the man because of the note, so he sent him even lower, at the very bottom of the world. ~~There was~~ Finally the man could read the note, so he opened it and saw

that the ivas washed away.
