9. Can you write to your business partner a thank-you note?
10. You should put on your jacket, it's cold and windy today

Task 7

I think the main reason she would give is that you have to work a lot. You have to keep clean not only your house but ~~also~~ everything around it, too.

Also, many countryside houses are far from the city. It makes difficult to go to work or shopping because you need more time for it.

Finally, for some people it can be very boring to live in the countryside because all activities and entertainments are in the city.

Task 8

I can see a pie chart that showing me daily activities for teenagers. I am going to analyze possible reasons for these changes.

The main part of daily activities for teenagers is sleeping (30%) because young people need to sleep a lot. It is ~~the~~ important for growing body.

School is the main part of teenagers life so studying or doing the homework is 15%. Also, food is very important for young people's health that is why eating is 15%.

Finally, videogames, being online, sports and phone or texting are 10%. Teenagers spend a lot of time online as the way to relax and that's why it is quite popular. Nevertheless, another ~~teen~~ young people prefer doing sports (10%).

All in all, teenagers spend a lot of time sleeping (30%). Studying or doing the homework and eating ~~are~~ take less time ~~(10%+15%)~~. Other activities are only 10%.

Task 9

1. Mark
2. Restaurant
3. Backpack
4. Dinner
5. Exercising

Task 4

I think the main reason she could give is that you have to do work a lot. You have to keep clean not only your house but everything around it, too.

Also, many countryside houses are far from the city. It makes difficult to go to work or go shopping because you need more time for it.

Finally, ~~the~~ for some people it can be very boring to live in the countryside because all ~~activities~~ activities and entertainments are in the city.

Task 8

I can see a pie chart that showing me daily activities for teenagers. I am going to analyze the possible reasons for these changes.

The main part of a daily activities for teenagers is sleeping (30%) because ~~very~~ young people need to sleep a lot. It is important for growing body.

School is the main part of teenagers life so studying and doing the homework are 15%. Also, food is very important for young people's health so eating is 15% too.

Finally, videogames, being online, sports and phone or texting are 10%. Teenagers spend a lot of time online as the way to relax that's why it is quite popular. Nevertheless, another young people prefer doing sports (10%).

All in all, teenagers spend a lot of time sleeping (30%). Studying or doing the homework and eating take less time (15%). Other activities are only 10%.
