Task 9

It was the day of my big presentation at work, and everything seemed to be going wrong from the moment I woke up. I overslept, ~~missed~~ missed my morning coffee, and got stuck in traffic on the way to office. When I finally arrived, I realized that I had forgotten my laptop at home, which contained all of my presentation slides. As I ~~forgo~~ frantically called my roommate to bring it to me, I spilled ~~coffee~~ coffee all over my white shirt.

As I stood in front of my colleagues, I started the presentation, only to realize that the projector was

malfunctioning. I felt like everything was falling apart, and I was on the verge of giving up.

But then, something unexpected happened. My colleagues rallied around me, offering support. One of them offered to lend me their laptop, while another helped me clean up the coffee stains. Despite the rocky start, the presentation turned into an interactive discussion, and I found myself connecting with my audience in a way I hadn't anticipated.

In the end, the day that started with ~~no~~ so many mishaps ended up being a success. I received positive feedback

from my colleagues. It taught me that sometimes, even when everything seems to be going wrong, there can still be a silver light. (214 words)

Task 1.

3. The phrase "golden and silver light" typically refers to the warm, radiant glow of the sun and the moon. It evokes a sense of beauty, brilliance, and preciousness associated with the colors of gold and silver.

"The half light" generally refers to the period of time during dawn or dusk when the light is dim, creating a soft, mystical atmosphere. It's often associated with a time of transition or ambiguity, as it is neither fully day nor fully night.

Task 3

There has been a spate of muggings in cities across the globe as muggers are focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington, DC and other metropolitan areas have been robbed of their coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats as more as \$2,200.

Task 4.

In a verdant, age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she spent her evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differing greatly from her peers, who preferred the tranquil life of the forest.

One clear night, Luna embarked on an unexpected journey. Guided by ~~com~~ constellations, she ventured beyond the known paths. She leaped over streams and navigated through dense underbrush, her heart pounding with excitement. Her adventure took her to the boldest

hill in the forest, just as the first
light of dawn crept over the horizon.
There, Luna beheld sunrise of unima-
ginable beauty, a kaleidoscope of colors
that stirred her soul. This moment
of awe brought a profound realization:
the stars were mesmerizing, but her
own world was equally splendid. Luna's
story, a blend of celestial wonder and
earthly beauty, became an enduring
legend, inspiring all to appreciate,
the magic, of both distant dreams
and the beauty close at hand.
