Task 3

Just when demographers are ringing alarm bells about overpopulation, Amazon founder Jeff Bezos says we need to populate our solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see, you know, a trillion humans living in the solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts and 1000 Einsteins... Space would be full of life and intelligence and energy." He added that he wants to help "build heavy heavy infrastructure that will be used by the space children of future generations... so that ingenuity and imagination can really be an lift"

Mister Bezos thoughts are echoed by fellow multi-billioner Elon Musk, owner of Xs (formerly known as twitter). In 2011 he said of the human race: "We don't want to be one of those single-planet species, we want to be a multi-planet species." Earlier this year Mister Musk warned that "population collapse due to low birth rates

is a much bigger risk to civilization global warming. Mark this ~~new~~ words." Mister Bezes considers of people living in giant space stations. He said most inhabitants of this would visit Earth for vacations. He envisions our planet turning to its pristine environment, as factories would be built in space. He said they would exploit resources on the moon or on asteroids instead of using up Earth's.

Task 04.

In vibrant coast town, Zoe, young chef with extra ordinary talent, thrived. Fascinated by exotic flavors, she dedicated her life to creating innovative dishes, her skill far surpassed those of her traditionalist colleagues.

One brisk morning, Zoe embarked on spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she explored was exploring local markets and remote fish villages. She wandered through bustling bazaars, her senses alighting with array of spices and fresh seafood. Her search brought her to hidden cove at dawn, just as fisherman brought in their early catch.

There, Zoe discovered rare fish, its flavor was unlike ~~everything~~ anything she have ever tasted. This discovery ignited burst of creativity; ocean's bounty was exhilarating but there were unexpected finds that truly inspired her. Zoe's culinary adventures, blending traditional techniques with avant-garde tastes, soon became legendary inspire others to explore and embrace diverse flavors of the world.

Task 9.

Well, she refused to believe that she did something wrong. Was she sleeping at the math class? Yes. Did she get a D on the final test? Unfortunately, yes. Still it wasn't fair that her dad decided to close her in her own room while her friends were on their way to an amusement park. She was sitting quietly, sad, when she heard a knock on the window. A second

later little boy fell into her room. His mouth was closed with a tape.

- Hell knee! - screamed he

- Is there something wrong with your knees? - asked Mary.
Oh, help me!

She saved the boy from the tape and he asked:

- Did your parents ~~left~~ leave you here because of your grades?

- Yes, it's so boring here.

- I have a plan, U - said he, beginning to smile. - Do you know what parents hate the most? Marriage.

- What's it? - wondered Mary.

- Listen, I have a plan called MMH.

- Maybe ... More Manners.

- Of course, no. Mary married Mike. I'm Mike.

Mary thought for a second but when agreed to this little joke thinking of her parents' reaction.

They created a big mess in the house creating the marriage ceremony. But ~~for~~ then their parents came home.

- It was just a MMH plan! - said Mike.

- Oh! - said the dad - then I have ~~a~~ a NMP plan!

- Need more pineapples? - guessed Mary, looking at the cake.

- No more phone! - smiled the dad.
