One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond well-known paths. She leaped over streams and navigated through dense underbrush, her heart had pounded with excitement. Her adventure has taken her to the tallest hill in the forest, just as first dawn light crept over the horizon.

There, Luna beheld sunrise of unimaginable beauty, kaleidoscope of colors that stirred her soul. This moment of awe brought the profound realization: stars will be mesmerized, but her own world would be equally splendid.

Luna's story, a blend of celestial wonder and earthly beauty of earth, has become etidure legend, inspiring all to appreciate magic of both distant dreams and beauty close at hand.

Task 9.

The Day Everything Went Wrong (But Ended Right)

One chilly winter morning I woke up from the soft bed and decided to go for a quick walk before going to school.

I've dressed up and went into the street. I was dreaming about ~~many~~ hot summer and whistling the catchy melody from an "ear-worm" song. Suddenly I had fallen

straight to the puddle. My coat became really wet and dirty as the gutter was near ~~the puddle~~. After that, I wanted

to drink a cup of warm coffee. I opened the door ^{of the shop} and asked for a little portion of latte. But there was no latte

at all! ~~That's a pity~~ ^{said} I ~~thought~~. Frankly, I was furious! ~~That~~

~~The~~ ^{start of the} day was a complete disaster. To make the matters worse - I had to go to school ~~also~~ in spite of the

fact that I've forgotten my bag at home. I saw a bus and went in. After 30 minutes I've realised that it wasn't appropriate bus for me. To be candid, I was so dissatisfied that didn't even

want to return home but I had to. So when I went home I thought: "It is ~~was~~ the worst day of my entire life" Several minutes later I saw the results of the 1 stage of RANEPА olimpiade and I was a winner. I was on the cloud nine and had forgotten about all awful things happened.
