In a verdant, age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she spent evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differing greatly from her peers, who preferred the forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She leapt over streams and navigated through dense underbrush, her heart pounded with excitement. Her adventure took her to the tallest hill in the forest, just as the dawn first light crept over the horizon.

There, Luna beheld the sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. That moment of awe brought profound realisation: stars were mesmerising, but her own world was equally splendid. Luna's story, a blend of celestial wonder and earthly, became an enthralling

I ~~ordered~~ ^{had} ordered some flowers ~~beforehand~~ and was just waiting for them to arrive. However, when I finally received them, they turned out to be dry and not appealing at all. So I ~~had to~~ embarked on the search for something else.

After running around local shops, I eventually found what I needed. I sighed with relief, but at that point it dawned on me that I mistook the ~~time~~ ^{place} and I was already late. I rushed to the school feeling guilty. Moreover, it was planned that the strictest teacher of the school would be the head of commission, so I was awaiting trouble. Imagine my surprise when, jumping into the door, I met face to face with that infamous figure.

I later learned that everyone apart from me had already performed and got unfairly low scores thanks to that wonderful teacher who was urgently called to another workplace. That was how I finished the musical school with the highest results.
