Washington is an American state, where the main city of the USA is located. It is called so in order to praise the first president of the United States of America. It is a home for many ~~the~~ famous film companies.

New York can be called one of the most dirty state of ~~Amer~~ the America. The metropolis here is full of homeless people and rats. Although, there people seek for popularity, because of the amount of business centres and skyscrapers.

Texas can be called an "cowboy" state. There are many films about cowboy culture. It is ~~at~~ quite an empty and hot weather state.

Task 9.

My story is going to be about a day of an 11th grade student which ~~is~~ seems ordinary by the first ~~is~~ view. The day started simply: my ~~of~~ teacher went of the class ~~to~~ school student room and said: "Do not ruin my class, ~~don't~~ ~~it~~ do not throw the desks out of the window, sit here ~~as~~ silently!". "Ok!" — it was an answer of my class. However, the next 20 minutes showed that nothing is going to be "Ok". As the students ~~of the~~, who were preparing for the exams, we were lack of something ~~exit~~ exciting. So my classmates decided to make an

experiment. The temperature outdoors was freezing, so, the experiment from the famous video came to their mind. Oh, what a brilliant idea to try ~~the~~ the "steam illusion" when the ~~water~~ ~~drops~~ little drops of water freeze while making a cloud. The first step was to try it on the plastic glass. However, to the sorry of my friends, it flew away. The next generous idea was to try it with a teapot. Really, that was going to be much more cinematic. Eventually, the teapot also ended up on earth, but ^{already} broken. To tell the truth, the piece of advice, which sounded like "Do not throw desks out of the window!" was completed. Meanwhile, the teapot was thrown. But the story ended right: we bought the same teapot for our teacher and never told the real story of her previous one.
