Just when demographers are ringing alarm bells about overpopulation imagine founder Jeff Bezos says: "We need to populate our solar system". Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see you now a trillion humans living in the solar system. If we had a trillion humans we would have at any given time 1000 Martsats and 1000 Einsteins... Space would be full of life and

intelligence and energy. He added that he wants to help build heavy infrastructure that will be used by the space entrepreneurs of future generations... So that ingenuiated imagination can ~~very~~ really be unleashed.

Mister Bezos thoughts are aced by fellow ~~multi~~ multi-billioner Elon Mask, owner of X (formally known as Twitter). In 2021, he said of the human race: "We don't want to be one of those single planet species; we want to be a multi-planet species." A real physier, mister Mask wound that population collapse due to low death rates is a much bigger risk too, civilization then global warming... Make these weirds Mister Bezos consives of people living in giant space stations. He said most ~~of~~ inhabitants of these would visit Earth for vacations. He invisions our planet returning to it's previous environment as factories would be built in space. He said they would exploit resourses on the Moon or on asteroids instead of using up ours.

Task 4.

In vibrant coastal town, Zoe, a young chef with the extraordinary talent, thrived. Fascinated by exotic flavours, she dedicated her life to creating innovative dishes, her skills had far surpassed those of her traditional colleagues.

One brisking morning, Zoe embarked on a spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she explored local

markets and remote fish villages. She was wandering through bustling bazaars, her senses were alighted with array of ~~open~~ species and fresh seafood. Her search brought her to hidden cove at dawn, just as fishermen had brought in their early catch.

There, Zoe discovered rare ~~for~~ fish, its flavor was unlike anything she had ever tasted. That discovery ignited ^aburst of creativity: ocean's bounty was exhilarating, but there were ~~an~~ unexpected findings that truly inspired her. Zoe's culinary adventures, which were blending traditional techniques with avant-garde tastes, soon became legendary, ~~inspire~~ inspiring others to explore and embrace diversity of flavors of the world.

Task 9

It was a bright morning out, when Jason woke up surprisingly safe and sound. Nothing seemed to be weird or disturbing, so a little mystery started to evolve in boy's clear mind. Apparently Jason realised that he was completely

home alone, however, as nobody would expect, he hated loneliness and his lack of ability to cook for himself. Jason undoubtedly decided to ~~go~~ head straight for his „room-mates” search. „Nevertheless, how am I supposed to survive in this horrible world, full of danger, cruelty and unfairness?” - the boy was wondering. The perspective to poison himself with ~~the~~ white bread toast or to pay electricity bills was scaring the life out of Jason. „I would probably get away with the Internet usage only, isn't that too much to ask?” - he philosophically ^{whispered} ~~said~~. All of the sudden, Jason ran into his parents in the park. Those unfair people were sitting on a grass and listening to an Indian wise ~~man~~ turtle. There was a questionable cardboard sign next to the animal. Little Jason leaned forward to see the label on it. It was better for him not to. „How to quit coming home from your nine-to-five job to make your 20-year-old child independent” - it said.

The topic of quitting has always appeared to be a thought-provoking one, especially nowadays. It is still unknown, is quitting a pure personal choice or a drawback of society expectations. On the one hand, quitting has a lot to do with happiness and fulfillment. On the other hand, it might be met like an act of self-preservation. As for ^{the} positive affects, it recalls personal growth and ~~change~~ change, while somehow can be caused by a simple fear of being bullied. All in all, there are plenty of points of view on this issue, however the key to success is finding a balance between personal fulfillment and honest courage.
