The Day Everything Went Wrong (But Ended Right)

One Saturday morning I was in a hurry ~~that~~ I had overslept and was almost missing my flight! I had been waiting eagerly for my trip to Tokyo: it was my childhood dream,

because I had always been keen on Japanese culture. So I was trying my best to pack my belongings and leave as fast as I could.

When I was going to leave my flat I noticed that I forgot my keys. So I rushed to the flat and spent some time ~~on~~ finding them.

When I closed the door I looked at my watch and gasped: it was 5:00 AM and my plane was leaving at 6:20! I tried my best to get to the airport on time but failed. And

~~that's~~ I also lost my charger somewhere. I felt miserable and depressed. However, then someone approached me. When I looked at that person I couldn't believe my eyes! It was my ex-classmate Andy who I haven't seen for years. She told me that she also missed her flight. We and Andy ~~then~~ had a nice time together and retold our flights.

~~Even if I didn't get a car key just for me!~~
So I didn't even miss anything!
