There has been a spike of ~~muggers~~ ^{muggings} in cities across the globe as muggers are focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington D.C. and other metropolitan areas have been robbed of their coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2,200 each. As well as literally stealing the coats off people's backs, thieves are breaking into people's vehicles. Professor David Wilson, a criminologist at Birmingham City University, warned that the muggings were the start of a new "luxury crime trend". He said the thefts were "worrying."

Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada Goose-branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that: "Thieves used to target Rolex watches which go for thousands of pounds and then sell them online." A London transport spokesperson said: "Canada Goose coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people on the network."

She added that this "acquisitive crime" was "very concerning, intimidating and frightening."

She leapt over streams and navigated through the dense underbrush, her heart pounding with excitement. Her adventure took her to the tallest hill in the forest, just as dawn's first light crept over the horizon.

There Luna beheld ~~the~~ a sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. This moment of awe brought a profound realization: the stars were mesmerizing, but her own world was equally splendid. Task 9.

Theo wasn't having it today. He felt like he was down there in hell. Occasional mishaps and rude colleagues help no one's mood, and Theo wasn't an exception. Sure, he could have just brushed it all off, but he was too irritated for this.

"Is something wrong, Theo?" his friend asked when they were on their way home. The angry man started venting about his problems. The friend went silent for a while and then just said: "Well... you, um, should just... end your day right...?" It was obvious that he didn't really care, but Theo was extremely grateful for the piece of advice.

The man ran home and recalled what his friend said... quite literally.

He went to bed, made himself comfortable and... rolled over to the bed's right side. For Theo, it was the day everything went wrong, but ended right.

And there would be hundreds of days like this in Theo's life.
