Task 3. There has been a spate of muggings in cities across the globe as muggers are focusing on a new item to steal - luxury coats. In recent weeks, people in London, ~~DC~~ and Washington DC and other metropolitan areas have been robbed of their coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2,200 each. As well as literally stealing the coats of people's backs, thieves are breaking into people's vehicles. Professor David Wilson, a criminologist at Birmingham city university, warned that the muggings ~~are~~ were the start of a ^{new} "luxury crime trend". He said the thefts were "warring".

Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them". He added that: "thieves used

to target ruleks watches which go for thousands of pounds and then sell them ~~on~~ ⁱⁿ online!" A London transport spokes person said: "canada goose coats are targeted for robbery. Its a real concern to us because it really impacts the safety of young people and the network" she added that this "acquisitive crime" was "very concerning, intimidating and frightening".

Task 4. In verdant, old forest, there resided Luna, rabbit unlike any other. Mesmerized by night sky, spent evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differing greatly from other peers', who prefer forest's tranquil life.

She leaped over streams and navigated through dense underbrush, her heart pounding with excitement. Her adventure took her to the tallest hill in the forest, just as dawn's first light crept over ^{the} horizon.

There, Luna beheld a sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. This moment of awe brought ^a profound realization: the stars will mesmerize, but her own world will be equally splendid. I decided that she was so tired of waiting for me that she ~~had gotten~~^{got} a taxi and drove home. Before leaving I charged my phone at the local cafe and was shocked to find out that my friend's flight was delayed and she will only arrive in an hour! That was a relief.
