In a verdant, ages-old forest, there resided Luna, a rabbit unlike any other. Mesmerised by the night sky, she ~~was~~ spent evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, greatly different from her peers, who preferred the forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond the known paths. She was leaping over streams and navigating through dense underbrushes, her heart pounding with excitement. Her adventure ^{had taken} ~~took~~ her to the

tallest hall in the forest, just as dawn's first lights started creeping over the horizon.

There, Luna beheld a sunrise of unimaginable beauty, with a kaleidoscope of colors that stirred her soul. This moment of awe ^{had} brought a profound realization: stars are mesmerising, but her own world is equally splendid. Luna's story, a blend of celestial wonder and earthly beauty, had become an elder legend, inspiring all to appreciate the magic of both distant dreams and beauty close at hand.

There has been a spate of muggings in cities across the globe as muggers are focusing on a new item to steal - fancy clothes luxury coats. In recent weeks, people from London, Washington DC and other metropolitan areas have been robbed of their ~~coat~~ coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2200 each. As well as literally stealing coats off people's backs, thieves are breaking into people's vehicles. Professor David Wilson, a

criminologist at Birmingham City University, warned that the muggings were the start of a new "luxury crime trend", he said ^{the} thieves were "worrying".

Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada Goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that: "Thieves used to target Rolex watches which go for thousands of pounds

and then sell them online." A London Transporens spokesperson said:

"Canada Goose coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people on the network." She also added that this "equivocative crime" was "very concerning, intimidating and frightening".

The Day Everything Went Wrong (But Ended Right).

Today I'm going to a job interview at 10:00. The place is in about an hour ride from me, so I have set my alarm to 8:00. As I wake up, I notice that the alarm isn't going off. Thinking that it must be too early, I grab my phone and come to a shocking realization: I've overslept! The time now is 9:45 and I have 15 minutes until my bus arrives. I start haphazardly putting on my clothes, simultaneously juggling pieces of bread and ham in the air to make a sandwich, then I rush outside and to the bus station.

Just as I step onto the station, I see the bus leaving. There's no use running.

after it and I have nothing better
to do but to wait for the next one.

Long story short, I arrive to the
interview, as I thought, 15 minutes behind
schedule. As it turns out however,
I am actually 10 minutes ahead of the
appointed time. The interviewer then
~~and~~ invites me, in, complimenting my punc-
tuality and (actually totally random)
clothes choice. Overall, the interview goes
smooth as butter and I get the job.
I'm so glad it all ~~over~~ turned out
well after all.
