There has been a spate of marginals in cities across the globe as much as a focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington D.C. and other metropolitan cities have been robbed of their coats at knife point. One man in Birmingham in the U.K. was slashed across his fees as it was made of with his jacket. Criminals are targeting coats that coast as much as \$2,200 each as well as literally stealing the coats of people's (ex. 2)

backs of it the breaking into people's windows. Professor David Wilson, a criminalist in Birmingham city university, warned that the marginals were the start of a new "Luxury crimetrend". He said the thefts were "warning".

Professor Wilson want ~~those~~ those who trained wither jackets to be careful. He said: "I would tell anyone wearing Canada ~~shoes~~ guys' 'Branded' jackets to be careful and be aware of your surroundings and who is around you. You have to be vitzelant for opportunities who may try to steal them". He ended that, "Always used to target rollees watches with go for: thousands of pounds and then sell them on line." A London transport spables person said: "Canada guys' coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people on the network." He ended that this "acquisitive crime" was "very concerning, intermediating and frightening".

Task 8

1) Virginia is a birthplace of the first president of the USA George Washington. It was also a home state for Thomas Jefferson and James Madison who lately also were presidents of the USA

2) Ohio is famous in the Internet for strange things that happen there. There were some hurricanes, but after that people keep saying [it could happen] only in Ohio, meaning that it's the weirdest state to live.

3) Texas is mostly associated with cowboys, horses, dry and hot weather, desserts and guns. But now it's a modern state with its unique infrastructure (air, high-speed rail).

and modern buildings. Still it's very hot and dry there.

4) South California was the place where during the War of Independence the first black battalion ~~that~~ ^{was made} by John Lawrence fought during the Battle at Yorktown. After the war Lawrence was killed and black soldiers were sent back to their masters.

5) New Jersey was the place where Alexander Hamilton's first son Philip was killed ~~at~~ during the duel, because his opponent had shot before they counted to 10. It was a place where "everything is legal" including forbidden duels.

Task 9

I'm a professional boxer. My sense of time is perfect. Once my wife asked me to babysit our little daughter: "Just make sure she's not crying". She went away and I decided to cook a breakfast. I hugged my daughter and came to the kitchen. I took some eggs and started cooking, meanwhile looking at my daughter at my chest. I couldn't let my family down, I had to be the best husband as I'm the best boxer as well! Suddenly I noticed that fire touched a towel and it started burning. I panicked and remembered about my daughter. I knew that without me she'd cry in 2.6 seconds, so I had some time to lay her down and deal with fire. Then I noticed that child is about to cry, so I threw her favourite toy right into her mouth. I turned around and ~~x~~ understood that today we'd eat coals. (ан. ирреал. ип. 6)

"Sorry..." - said I when my wife had ~~seen~~^{saw} our crying daughter and burnt kitchen.

"You're still the best husband I could ask for even if you're perfect only at work." - she smiled
