Just when demographers are ringing alarm bells about overpopulation ~~amazing~~ ^{for} Amazon founder Jeff Bezos says we need to populate our Solar System. Mister Bezos was asked for his thoughts on humanity living in outer space in thousand years time. He replied: „I would love to see, you know, a trillion humans living in the Solar System. If we had a trillion humans, we would have at any given time 1,000 Mozarts and 1,000 Einsteins... Space would be full of life and intelligence and ~~energy~~ energy.” He added that he wants to help build

heavy infrastructure that will be used by the space entrepreneurs of future generations... so that ingenuitand image nation can reliably unlitt."

Mister Beros's thoughts are echoed by fellow multi-billionaire Elon Mask, owner of X (formally known as Twitter). In 2021, he said of the human race: "We don't want to be one of those single-planet species; we want to be multi-planet species." ~~Atty~~ Ellie Thisten, Mister Mask ward that: "Population collapse due to low birth rates is a much bigger risk to civilisation than global warming... mark ~~my~~ ^{these} words." Mister Beros consivels of people living in giant space stations. He said most inhabitants of these would visit Earth for vacations. He invisions our planet returning to its pristine environment, as factories would be built in Space. He said they would exploit resources on the Moon or on the asteroids instead of using up Earths.

"Grandfather! Tell us a story," - were ringing the kids showing their bright smiles. "Okay, here you go. Let me reminisce about ~~our~~ my ^{very} first encounter with your granny."

It was an extremely windy day. Sarah was preparing for the ~~stage~~ ~~it would be~~ her debut on a real stage. And I was the one who ruined it. Preoccupied with reaching under a tree I got ~~hit~~ ruthlessly hit by a branch. This ~~inconvenient event~~ circumstance resulted in ~~me~~ minor amnesia and loss of my ~~p~~ wallet. At the same time Sarah ~~told~~ ~~headed out~~ ~~for the theatre~~ bright ~~and~~ breezy, headed out for the theatre. Then I accidentally bumped into her and still feeling dizzy from the branch's hit impact I asked her where ~~we~~ were? She looked startled, but politely answered and attempted to live. Then I noticed my wallet ~~left~~ lying

lonely on the ground. However, I didn't remember it was mine! Slightly panicking, I asked the lady to assist me in finding the owner of the item. She too was bewildered by my sudden proposal, but feeling responsible for her neighbourhood ~~not~~ accepted my invitation to observe the case. We were ~~running~~ running around asking passers-by about the wallet. Nobody recognised it. As we were losing the last hope ~~a random~~ something struck my mind and I realised it was me who had lost the wallet. When I told Sarah about that well, I guess you can ~~go~~ imagine her reaction.

The following scene was me running for my life and her absolutely furious chasing me and yelling.
