Sadly, everywhere he went, there were misfortunate events waiting for him. Our wolf wanted to eat a piece of a meat pie in a village but he didn't know that the locals made those pies from a... "meat wolf". Scared to death, our wolf ran to the nearby forest. And then a dreadful bear tried to eat him. Our wolf ran again. And again and again, until he, absolutely exhausted, ate a berry in a forest.

That way our magic wolf turned out to be a werewolf. When he realised that he was a human, he laughed. And started wandering all around the world as a human. This was Every thing in his life led him to his happy end where he can eat delicious human meals.
