N3. Just when demographers are ringing alarm bells about overpopulation, amazing founder Jeff Bezos says we need to populate our Solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see, you know, a trillion humans living in the Solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts, and 1000 Einsteins... Space would be full of life and intelligence and energy." He added that he wants to help build heavy infrastructure that will be used by the space entrepreneurs of future generations. So that

Mister Bezos thought are shared by fellow multi-billionaire Elon Musk, owner of X (formerly known as Twitter). In 2021, he said of the human race: "We don't want to be one of those single-planet species, we want to be a multi-planet species." Earlier this year, Mister Musk went further: "Population collapse

due to ... threats is a much bigger risk to civilization than global warming. Mark these words." Mister

Bezos considers us of people living in giant space stations. He said most inhabitants of these would visit Earth for vacations.

~~He envisions~~ ^{He envisions} our planetary turning to its pristine environment as factories would be built in space. He said they would exploit resources ~~are~~ on the moon or an asteroids instead of using up Earth.

In a vibrant coast town Zoe, a young chef with an extraordinary talent, thrives. Fascinated by the exotic flavors, she dedicates her life to creating innovative dishes, her skills far surpass those of her traditional colleagues.

One brisk morning, Zoe embarked on a spontaneous quest for the culinary inspiration. Driven by her passion for the unique ingredients, she explored local markets and remote fisher villages. She wandered through the bustling bazaars, her senses alighted with the array of spices and fresh seafood. Her search brought her to the harbor at dawn, just as fishermen were bringing in their early catch.

There, Zoe discovered rare fish, its flavor was unlike anything she had ever tasted. This discovery ignited a burst of creativity.

Ocean's bounty was exhilarating but there were unexpected findings that truly inspired her. Zou's culinary adventures, blending the traditional techniques with avant-garde ideas, soon became legendary, inspiring others to explore and embrace the diverse flavors of world.

Once a man decided to go on an adventure. He wasn't brave, but he was rich, so he decided to buy it.

23

He left his house and went down the street. "Mitch's Banning Goods" - he said. "Do you sell adventures?" - asked the man, entering. "No," answered ~~Mitch~~ Mitch and splashed a bucket

of paint into the man's face. "No one can help you finding an adventure. You should do it disinterestedly on your own."

34

After that the man went by and saw "Martha's Blooming Flowers". He entered and asked: "Do you by any chance sell adventures?" "No, we do not," - said Martha, throwing a bouquet into the man's face and leaving all the blossoms on it. "Find an adventure by yourself!" - yelled she.

42

After that he went by and saw "Tom's Birthday Presents", but he didn't even manage to ask, whether they sell adventures

or not. Tom immediately spilled the glitter on him. "Find adventure yourself!" - he thought. "Such a misadventure!" - he thought. The man thought.

30

So he went home, ugly and precious simultaneously.

His wife met him with such words: "That's why I love you." - she said "You always get into some adventures."
