Task 9

"A Misadventure Turned Adventure".

With my husband Steve I was preparing for the travel I could hardly dreamt about. We were going to visit Austria and spend our honeymoon there! I looked forward to exploring historical sights, having dinners in fancy restaurants and shopping in designed boutiques.

After we had packed all my dresses in our suitcase it seemed that nothing could change our mood that was better than ever.

However, everything wasn't going to be as smooth as silk. It was half an hour before our flight when we ^{were running} ran into the airport. You can't imagine what a relieve it was when after the airport's hustle and bustle we took our seats on a plane and eventually could relax. With the ~~said~~ feeling of being on a cloud nine we heard the pilot claimed: "Hope you to have a nice flight to Australia!". At that moment my heart skipped a beat.

Now it is three weeks we have crazy adventure in Australia. We visited unforgettable safari, had fun in the best entertainment parks, learned surfing and explored picturesque national parks. I don't know what ^{more} surprises ^{is} the world preparing for us but it is the best holidays I've ever been on.
