I did the task in the living room where my mother mum was sitting and watching a comedy on TV. Suddenly I fell asleep in the middle of the poem. At this moment mum ~~few minutes~~ earlier mum left the room, but she had not switched off the TV so I ~~step~~ had been sleeping for about 2 hours before my mum

returned from the bathroom and said: "Wake up, my dear! It's time to go to school." At this moment I realised that I was sleeping all evening and all night so I did not learn the poem. However, I was ~~ought~~ to go to school anyway. And then started the literature lesson and I was called to ~~tell~~ the poem. ~~I~~ ~~Am~~ I was amazed: I thought I remembered it very accurate. But it was not true... All my classmates started to laugh loudly ~~as~~ as I mixed the words from the poem and words from yesterday's comedy. I was extremely confused but I understood the importance of putting away all the things that can distract you from work. Later classmates said sorry to me for their laugh. As a compliment, we went to the cinema and to the amusement park. Now I remember this story with happiness and I'm not ~~am~~ ^{anxious} that it happened to me.
