There has been a spate of ^{muggings} ~~muggings~~ in cities across the globe as muggers are focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington, DC and other metropolitan areas have been robbed of their coats at knife point. One man in Birmingham in the UK was stabbed across

his face as thieves made off his jacket. Criminals are targeting coats that cost as much as \$2,200 each. As well as literally stealing the coats off people's backs, thieves are breaking into people's vehicles. Professor David Wilson, a criminologist at Birmingham City University, ~~found~~^{warned} that the mayings were the start of a new "luxury crime trend". He said the thefts were "worrying".

Professor Wilson ~~found~~^{warned} those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada Goose 'branded' jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that: "Thieves used to target Rolex watches with go for thousands of pounds and sell them online". A London transport ~~spoke~~^{spoke} spokesperson said: ~~that~~ "Canada Goose coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people on the network". She ~~also~~ added this "acquisitive crime" was "very concerning, intimidating, frightening".

In ^{an} verdant, age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she spent evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, greatly different from her peers, who preferred forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by the constellations, she ventured beyond the known paths. She leapt over ~~the~~ streams and

navigated through dense underbrushes as her heart was pounding with excitement. Her adventure took her to the tallest hill in the forest, just as a dawning first light was creeping over horizon.

There, Luna beheld the spectacle of unimaginable beauty, a kaleidoscope of colors that was stirring her soul. This moment of awe brought a profound realization: the stars were ~~more~~ mesmerizing, but her own world was equally splendid. Luna's story, a blend of celestial wonder and earthly beauty, became an enduring legend, inspiring to appreciate the magic of both distant dreams and beauty close at hand.

Task 9. "The Day Everything Went Wrong (But Ended Right)"

I once knew a baker who worked in a pastry shop down across the street. He was very passionate about his job and the whole town loved him. One day, he ^{wanted to make} ~~was making~~ biscuits for the shop, but everything went wrong.

Firstly, when the baker opened the cupboard, he realized that he'd run out of flour! "This is ~~the~~ a disaster", the baker thought, but decided to improvise with whatever ingredients he had in access.

After hours spent in the kitchen, everything became a mess: ~~half of the sugar was on the floor~~, even walls were covered in some sort of dough... and there were dozens of mediocre ~~pastry~~ ^{biscuits} on the table. "I cannot sell this to my dear and beloved customers!" the baker ~~exclaimed~~ yelled while trying to clean the room up.

Luckily, while ~~tidying~~ tidying up the kitchen, the baker found a bag of almonds. The man got an idea... He made a fine dust out of the nuts,

the so-called "almond flour" and then ^{prepared} ~~made~~ the dough ~~using~~ with it. After ~~but~~ some time in the oven, the dough turned into ~~wonder~~ some wonderful almond cookies. Once the baker tried them, he fell in love with the delicious tenderness of them and decided to ~~also put some buttercream~~ also sandwich the cookies with buttercream.

~~The~~ People in the town loved ~~those new~~ this new dessert that the baker had invented: ~~though~~ he named ~~them~~ "macaron". ~~though it took him a whole day to come up~~ Though he thought the day he created the recipe was absolutely awful, the cookies were so good that it was worth the effort.
