~~far~~ far from shopping malls and theme parks, so  
 living in the countryside ~~is~~ is boring ~~and~~ ~~very~~

## Task 8

Everybody have daily activities. Some people do sports and want to be fit, others spend their time at home watching TV and sur-

surfing the Net. But what about our teenagers?  
Thanks to this pie chart we can see that  
sleeping is the most popular daily activity.  
In my opinion, it's connected with studying. I  
think that teenagers spend a lot of time at  
school and always feel bored. They don't have  
enough time for extra lessons. We can see that  
teenagers have only 40 percent for extra activities.  
Unfortunately, they spend only 10 percent doing sports.  
I think that it's important to spend at least  
20% <sup>of their</sup> daily activities at gym to stay  
in shape. Besides, teenagers spend 30 percent  
surfing the Net and they waste their time. They  
can face with ~~problems~~ eyes' problems in the fu-  
ture. In conclusion I'd like to say that teenagers should  
travel and spend more time outside. Travelling can bro-  
aden their mind!
