4. In verdant ~~age~~ forest, there is an age-old rabbit Luna, who~~s~~ is unlike any others. Mesmerized by the night sky, ~~she~~ she spent evening gazing at stars, dreaming of cosmic mysteries. Her curiosity was insatiable, and greatly differed from her peers, who preferred forest's tranquil life.

One clear night, Luna had embarked on unexpected journey. Guided by constellations, she ventured beyond known paths. She leaped over streams and navigated through the dense ~~habitat~~ underbrushed, ^{while} her heart was pounding with excitement. Her adventure had taken her to the tallest hill in the forest, just as first light of dawn was creeping over horizon.

There, Luna was holding to sunrise of unimaginable beauty, and the kaleidoscope of colors that had stir her soul. This moment of awe had brought a profound realization: stars may be mesmerizing, but her own world is equally splendid. Luna's story, blended of celestial wonder and earthly beauty, has become an endured legend, which inspires all to appreciate the magic of both - distant dreams and close at hand beauty.

8. Ohio is a state, which name has recently become an adjective, basically meaning "crazy" or "unrealistic". The phrase "Only in Ohio" is used the most often by teenagers (basically means something extremely funny and bizarre).

2. The half of American population mistake the state of New York for New York city, and can't

tell them apart. Also, New York is a motherland of bagels (bread circles with a hole in the middle). Tourists and locals are obsessed with it).

3. „Oklahoma has recently become a term, which was used in a popular theater play. The play was mentioned in a popular TV show, called „euphoria“, so it and eventually gained popularity between teenagers.

4. Pennsylvania is often called „the mysterious state“. People claim, that whenever they come to Pennsylvania, they instantly start feeling nauseous and anxious. Obviously, there's no real evidence of anything unworldly and magical there. Just the thoughts.

5. The state of Utah is famous for its sport teams. A bunch of world famous ~~at~~ basketball, volleyball

and chess players are originally come from Utah.

So, if you wanna know more about sports, you should definitely come to Utah.

9. ~~Jan~~ The day everything went wrong
(but ended right).

Emily was a chubby, middle-aged woman, who actually looked her age, but if anyone asked "how old is she", Emily would smirk and confidently say: just turned 21. And yeah, she was also spontaneous.

One day, Emily got so sick of her life, so she booked a ticket to Ibiza. The ticket said: the 3 of February, 11:54 PM.

The 3 of February 8:06 AM.

Emily already had breakfast and was ready to set off.

She decided to have one more cup of coffee, and of course she spilled it all over her favourite dress.

She changed her clothes. It was already 9:00pm. She ordered a taxi and headed straight to the airport. Emily had never seen a traffic as heavy as this one. She looked at her watch.

~~11~~ 11:52. it said. The woman felt desperate, it occurred to her, that the plane was leaving in two minutes, and she had no chance to get there ~~in~~ time. She felt so miserable, and decided to look at the ticket one more time. "No way!" - Emily screamed in excitement. The plane was leaving at 11:54 PM, not AM. She was hugely relieved, but came to realization that she would have to wait in the airport, for god knows how many hours...
