Just when demographers are ringing alarm bells about overpopulation, Amazon founder Jeff Bezos says we need to populate our ~~the~~ Solar system. Mister Bezos was asked ~~ask~~ for his thoughts on humanity living ^{in the} outer-space in a thousand years time. He replied: "I would love to see you now, a trillion humans living in the Solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts and 1000 Einsteins... Space would be full of life and intelligence and energy." He added that he wants to help "build heavy infrastructure that will be used by the space entrepreneurs of future generations.. So that engin~~er~~er negoti~~er~~er"

Imagination can really be unleashed.
Mister. Bezos' thoughts are echoed by
fellow multi-billionaire ~~the~~ Elon Musk, owner
of X (family noun as ~~#~~ Twitter). In 2021,
he said of the humanity race: "We
don't want to be won of those single-planet
species; we want to be ~~multi~~ multi-planet
species." Earlier this year, mister Musk
wondered that population collapse due to low
birth rates is a much bigger risk to
~~the~~ civilization than global warming.
Mark these words: "Mister Bezos can
imagine of people living in giant space
stations. He said most inhabitants of these would
visit Earth for vacations. He imagines our planet
returning to its pristine environment, i.e. factories
would be built in space. He said they would exploit
resources on the Moon or on asteroids instead of using up Earth's

Jack ~~was~~ was looking forward to working in a surgery, but ~~the~~ Professor ^{Mr. Black} forbade the young man to do so. ~~There~~ his son had already taken the Jack's place. The future doctor didn't give up. He graduated from university and became one of the most famous and well-paid dentists in Great Britain. ~~He~~ Jack married a very beautiful young woman and was ~~completely~~ absolutely happy. One day ~~an~~ an old man entered his hospital. He had an extreme toothpain. Jack recognised him. "Mr. Black! Hello! Haven't seen you for a long time. Now I'm going to cure your teeth!" Mr. Black got frightened.

Task 4

In a vibrant coast town, Zoe, a young chef with extraordinary talent, thrived. Fascinated by exotic flavours, she dedicated her life to create ^{improvement} dishes, her skills far surpassed those of her traditional colleagues. One breezy morning, Zoe has embarked on a spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she has explored local markets and remote fish villages.

Buann 07 uz 08

She was wandering through bustling bazaars, her senses alight with an array of spices and fresh seafood. Her trip brought her to hide cove by dawn, just as fishermen had brought in their early catch.

Therefore, Zoe has discovered rare fish, its flavour was unlike anything she ~~has~~ ever tested. This discovery has ignited burst of creativity: ocean bounty was exhilarating, but there were unexpected sounds that truly inspired her. Zoe's culinary adventures, blend traditional techniques with avant-garde tastes, ~~soon~~ became legendary, inspiring others to explore and embrace diverse flavours of the world.
