with excitement. Her adventure took her to the tallest hill in the forest, just as dawn's first light crept over horizon.

There, Luna beheld a sunrise of unimaginable beauty, kaleidoscope of colors that stirred her soul. This moment of awe brought ~~her~~ a profound realization: stars were mesmerising, but her own world was equally splendid. Task 9

"The Day Everything Went Wrong (But Ended Right)".

The story starts early on Saturday morning. This day was supposed to be a very casual and laid-back ~~day~~ ^{one}. In the previous evening I wrote a plan for my weekend days, ~~so~~ ^{less} that I don't forget anything and everything goes smoothly. Little did I know that fate, or ^{the} supreme powers, or ~~the~~ God, or ~~the Universe~~ ^{call it whatever you want,}, prepared something drastically different for me!

I live with my parents in a huge house.
This morning they were shopping at the mall, and
thus I was here on my own.

I woke up at 11 am, ready to kick off the day,
do my morning routine, but everything went
wrong. My eyeliner wasn't drawing, a brow gel was
all used up, I spilled some water on my blouse.
Music ^{app} wasn't working due to ^{Internet} ~~java~~ problems.
I was sick of it.

Suddenly, I heard a sound ~~on~~ the first floor,
then it was very noisy. I looked. OMG, the living
room was in ^{complete} ~~mess~~, so was the kitchen. I was
frightened, what has happened? Then I saw a ^{beautiful} white cat,
whom I never seen before. I liked him
and wanted this creature to live here, so I cleaned
up everything. When my parents came home, we talked
about it, decided on keeping it.

~~We decided to keep it~~ Maybe it's fate. In the end, we have
a new member. It was not a bad day after all.
