Task 3

There has been a spate of muggings in cities across the globe as muggers are focusing on a new ~~item~~ item to steal - luxury coats. In recent weeks, people in London, Washington DC and other metropolitan areas have been robbed off their coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2,200 each. As well as literally stealing the coats off people's backs, thieves are breaking into people's vehicles. Professor David Wilson, a criminologist at Birmingham City university, warned that the muggings were the start of a new "luxury crime trend". He said the thefts were "worrying".

Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada Goose branded jackets to be careful and

be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that: "Thieves used to target Rolex watches which go for thousands of pounds and then sell them online." A London Transport spokesperson said: "Canada Goose coats are targeted for robbery. It is a real concern to us because it really impacts the safety of young people on the network." She added that this "acquisitive crime" was "very concerning, intimidating and frightening."

Her adventure took her to the tallest hill in the forest, just as the first light of dawn crept over the horizon.

There, Luna beheld a sunrise of unimaginable beauty, a kaleidoscope of colours that stirred her soul. ^{That} This moment of awe brought a profound realization: the stars were mesmerizing, but her own world was equally splendid. In the capital of this state tourists can find the White House and Washington Memorial. Apart from that, The Mall is also extremely popular with tourists.

Task 9.

Kindness Saves Marks

That day had a disastrous beginning. I overslept and my beloved pet squirrel spoiled my clothes. Moreover, I had a very important exam to take!

I rushed to the linguistic school where I studied. When I approached it, I saw an old lady. She had some bags which were apparently heavy for her. She gave me ~~an~~ a glance, tacitly asking for help. Concededly speaking, I wanted to cry - so desperate I was about being late and therefore not having time to help a stranger.

However, my kind-heartedness won. I eventually abandoned my plans to give that lady a helping hand.

"God bless you, sweetie. Should you ^{do my best} need my help one day, I will ~~be~~ ^{be} there for you," said the old lady, ~~with a smile.~~

"I doubt she will ever do. We are completely disparate, so

she cannot possibly resolve my problems," I thought to myself.
~~We headed to the same building and entered it. I felt~~
~~suspicious.~~

She turned out to be our new teacher and, consequently,
our new examiner. When I handed ^{exam paper} my essay in, she ignored
some minor mistakes and gave me an A, whereas the others were
strictly assessed. My kindness saved my marks and my day!
