Task 3)

Just when demographers are ringing alarm bells about overpopulation, 'Amazon' founder Jeff Bezos says we need to populate our solar system. Mister Bezos was asked for his thoughts of humanity living in outer space in a thousand years time. He replied: „I would love to see, you know, a trillion humans living in the solar system. If we had a trillion humans, we would have at any given time 1,000 Mozarts and 1,000 Einsteins... Space would be full of life and intelligences and energy“. He added that he wants to help „Build build heavy infrastructure that will be used by the space entrepreneurs of future generations... So that imagination can really be unleashed“.

Mister Bezos ~~thor~~ thoughts are echoed by fellow multi-billioner Elon Musk, owner of X^o (formally known as Twitter). In 2021, he said of the human race: "We don't want to be one of those single-planet species, we want to be a multi-planet specie species". Mister Musk wondered: "Population collapse due to low birth rates is a much bigger risk to civilization than global warming... mark this words". Mister Bezos can consives of people living in giant space stations. He said most inhabitants of these would visit Earth for vacations. He envisions our planet returning to its pristine environment, as factories would be built in space. He said they would exploit resources on the moon or on asteroids instead of using up Earth's.

So this one time, my grandma told me to go to the ^{shop} ~~supermarket~~ to buy some milk and cookies to drink tea with them later in the evening. At the time I was living at her house in the countryside, the day was unusually hot, I stayed ~~there~~ inside ^{most of the time} ~~on~~ day, bored out of my mind. The shop was pretty far away, but I still was walking pretty slow. I heard a car approaching behind. I ~~looked~~ turned to look to make sure I wasn't in the way. This car turned out to be my friend's car. He waved at me, rolled his windows down and told me to hop in. By myself ~~being~~ being bored, I jumped into the car no questions asked. After some 10 minutes we were at the lake with some of my other

good friends. We swam, danced, talked all evening long. Of course I warned my grandma about ~~my~~ this change of plans. After the lake, we all got into the car and drove to one of the friends house. There, we turned the music loud, played board games and did other fun stuff. Hands down one of the most coolest days ever.
