Task 9.

Last year I had a gap year, so I decided to spend it working. It was the period when I had to take all the responsibility for myself. There was nobody next to you to rely on. ~~So~~ Anyway, let me tell you an attractive and funny story, that happened with me this Summer.

That day everything seemed to go wrong. To begin this, I overslept. What's more, I couldn't find my keys to unlock the door. I had been looking for that day for a whole month because it was the day my favourite rock band was to perform. So, I tried to calm down, found the key, called my chef to say that I need a day off, and he had no objections. I decided to get ready for the concert to look the best of me. I took my jeans to the laundry. And I left my ticket to the concert inside. It was destroyed

completely... I was shocked how stupid it was.

I was sitting in silence for some time. Then I decided it wouldn't prevent me from going to the concert. At least, I could stay in a queue to feel the anxiety of the show. When I was finally next to show the ticket to enter, I started pushing my way back through the queue. Suddenly, I felt someone touch my shoulder gently. I saw the girl who was passing me the pair ticket. It turned out her friend failed to come. I was the happiest man in the world.

Task 4

In a verdant, age-old forest, there resided Luna, the rabbit unlike any other. Mesmerized by the night

sky, she spent evenings gazing stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differed greatly from her peers, who prefer forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She was leaping over streams and was navigating through dense underbrush, her heart pounding with excitement. Her adventure took her to the tallest hill in the forest, just as the dawn first light was creeping over the horizon.

There, Luna was beholding the sunrise of the unimaginable beauty, the kaleidoscope of colours that stirred her soul. This moment of awe brought profound realization. The stars were mesmerising but her own world was equally splendid. Luna's

story, the blend of celestial wonder and earthly beauty, became an enduring legend, inspiring all to appreciate magic of both distant dreams and beauty close at hand.
