Task 3

There has been a spate of muggings in cities across the globe, as muggers are focusing on a new item to steal – luxury coats. In recent weeks, people in London, Washington DC and other metropolitan areas have been robbed of their coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2200 each. As well as literally stealing coats off people's backs, thieves are breaking into people's vehicles.

Professor David Wilson, a criminologist at Birmingham City University, warned that the muggings were the state of a new "luxury crime trend". He said the thefts were "worrying".

Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada Goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who may try to steal them." He added that: "Thieves used to target Rolex watches which go for thousands of pounds and then sell them online." A London transport spokesperson said: "Canada Goose coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people and the network. She added that this "acquisitive crime" was "very concerning, intimidating, frightening".

Task 4.

In a verdant, ages-old forest, there resided Luna, a rabbit unlike any other. Mesmerised by the night sky, she spent evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differing greatly from her peers, who preferred the forest's tranquil life.

One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She leapt over streams and navigated through the dense underbrush, her heart pounding with excitement. Her adventure took her to the tallest hill in the forest, just as dawn's first light crept over the horizon.

There, Luna beheld a sunrise of unimaginable beauty, a kaleidoscope of colours that stirred her soul. This moment of awe brought a profound realization: the stars were mesmerising, but her own world was equally splendid. Luna's story, a blend of celestial wonder and earthly beauty, became an enduring legend, inspiring all to appreciate the magic of both distant dreams and the beauty close at hand.
