There has been a spate of muggings in cities across the globe as muggers are focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington DC and other metropolitan areas have been robbed of their coats at knife point. Warnman in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2,200 each. As well as literally stealing the coats of people's backs, thieves are breaking into people's vehicles. Professor David Willson, a criminologist at Birmingham City University, warned that the muggings were the state of a new "luxury crime trend". He said the thefts were "worrying".

Professor Willson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that: "Thieves used to target Rolex watch which go for thousands of pounds and then sell them online." A London transport spokes person said: "Canada goose coats are targeted for robbery. It's a real concern to us because it really impacts the safety of young people on the network." She added that this "acquisitive crime" was "very concerning, intimidating and frightening".

Task 4.

In a verdant, age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she spent evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differently great from her peers, who preferred forest's tranquil life. One clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She leapt over streams and navigated through dense underbrush, her heart pounded with excitement. Her adventure took her to the tallest hill in the forest, just as the dawn first light crept over the horizon.

There, Luna beheld the sunrise of unimaginable beauty, kaleidoscope of colours that stirred her soul. This moment of awe brought her profound realization: stars were mesmerizing, but her own world was equally splendid. Luna's story, blended of the celestial wonder and earthly beauty, has become enduring legend, inspiring all to appreciate magic of both distant dreams and beauty close in hand.

"Go away, don't you see I am in a hurry!" the bogatyr answered.

"I am a respected member of Her Majesty the Queen royal army, you must not stand on my way, hurry up and move!" the musketeer didn't want to stop the argument.
